

**ABOUT THIS GUIDE**

This guide is a joint project of the Yarmouth County Active Transportation Committee (YCAT), Yarmouth Recreation, Argyle Recreation Department, the Clare Recreation Department and the Yarmouth and Acadian Shores Tourism Association.

The Yarmouth County and Acadian Shores offer many recreational opportunities, such as cycling, paddling, swimming, skating, cross-country skiing and walking. There is a great diversity of landscapes and habitats to explore and enjoy including five Provincial Parks, two Interpretive Trails and lots of history.

For more information on what this area has to offer visit these websites:

## OFFICIAL WALKING GUIDE

# WHERE TO WALK

Yarmouth County Active Transportation Committee

### Welcome

Yarmouth County Active Transportation invites residents and visitors to explore the region; walking is a good way to start. The historic town and municipalities, the shores, lakes, rivers, forests, and marshes all provide a varied experience.

This guide provides maps and information on the trails including directions to locate the trail, starting/access points, distance, estimated time to walk, description (surface, type of walk—linear/loop, other features), attractions, services and GPS coordinates.

Most walks are over fairly level terrain; walking times range from 20 minutes to 2 hours or more.

### Safety

For your comfort and safety please remember these points:  
Wear appropriate footwear.  
Wear appropriate clothes (seashores can be windy!)  
Be Sun Safe! (Hat, Sunscreen SPF 30+, Sunglasses, etc.)  
Tell someone where you are going and when you plan to return.  
Take your cell phone.  
Bring water and a snack for longer walks.  
Wear reflective, light coloured clothing and carry a light when walking at night.  
Wear Hunter Orange during hunting season (from the beginning of September to the end of March) when walking in wilderness areas outside of town.  
Wear a bicycle helmet when cycling.

Whether you are a resident or a visitor, we hope that you have a safe and fun walking experience.

Most of the walks listed are not wheelchair accessible (except where indicated); we recommend walking routes with sidewalks for people in wheelchairs.

### Trail Etiquette

Obey all signs  
Stay on trails  
Do not create new trails  
Leave nothing but your footprints behind  
Pick up after your pet (scoop the poop)  
Respect private property  
All cemeteries are sacred locations and should be visited with respect  
Cyclists give way to walkers  
Cyclists sound bell when passing  
OHV (Off Highway Vehicles) yield to walkers and cyclists

### In the guide text:

Compass points and turns are in capital letters: **N** (North), **S** (South), **E** (East), **W** (West), **L** (Left) and **R** (Right).

## The Joys of Walking

### Walking ...

- is a gentle physical activity that is good for body and mind
- provides our bodies with fresh air
- helps us to relax, relieves stress and makes us feel better
- keeps us mobile later in life
- is a time to enjoy nature –take time to look and listen
- is a way to discover new places and meet new people
- contributes to reducing pollution
- gives us time to socialize with family and friends
- allows us to go at our own speed
- is a great way to exercise the dog

**Heart&Stroke Walkabout™** is a walking initiative that is focused on putting feet back on the street and walking back in the hearts and minds of Nova Scotians. [www.walkaboutns.ca](http://www.walkaboutns.ca)
