Searching the guide:

The screenshot shows a 'Basic Search' form with the following elements:

- 1** Find: A text input field containing 'Trails'.
- 2** in: Radio buttons for 'Keywords' (selected) and 'Organization Name(s)'.
- 3** Limit To: Radio buttons for 'Located in Community' and 'Serving Community' (selected). Below are checkboxes for 'Lunenburg County', 'Queens County (NS)', 'Shelburne County', and 'Yarmouth County' (checked). There is also a field for 'Other Community: [Find Community Name]'.
- 4** Search: A button at the bottom right of the form.

Other fields include 'Ages' and 'Quick List', both with dropdown menus.

1 Enter your **keyword** (if appropriate select from the auto-dropdown menu that appears).

2 Select if you are searching by **Keywords** or **Organization**.

3 Choose the **County** where you want to find what you're searching for.

4 Click the **Search** button.

Tip: After you've searched, click on **map results** to get the locations of your search result.

Suggest a new listing:

You can scroll to the bottom of the page and click the link to suggest a new listing for the guide. You can also suggest updates or corrections to what's already in our guide.

The screenshot shows the 'Basic Search' form with a callout box at the bottom. The callout box contains the following text:
